

Dear customer,

Pupae availability 26th July: due to Covid we can only offer Philippine mix, Heliconius mix from Ecuador, Deluxe mix from Costa Rica.

Please order before Monday 19th July for delivery on 27th July.

Pupae numbers are very low at the moment due to bad weather in Philippines and Costa Rica so please order early to avoid disappointment as all orders are processed on first come first served basis.

You can order from our website or email sales@butterflyfarm.co.uk
